

# **MR BACK'S PARENT MEETING**

**Dear Parents,**

**On Tuesday 6 February I will be conducting a parent meeting to introduce myself and to outline the important issues concerning the education of your child this year. It will be at 3.00pm in Room 14. I will also be able to answer and discuss any questions that you may have. Further to this, I will be willing to schedule any extended meetings that you may wish to have with me.**

**Your attendance at the parent meeting will not only answer most of the queries that you may have but it will also be beneficial to the education of your child.**

**Rather than photocopy a lot of the information handouts that I will be using in the session, can you please email me at [Jason.back@education.wa.edu.au](mailto:Jason.back@education.wa.edu.au) and I will email you one for you to print off and bring with you to the meeting. This way, I will also have your email address that I can use for future contact.**

**Should you have any queries, please do not hesitate to include them in your email to me.**

**Hope to see you then.**

**Kind regards,**

**Jason Back**
