

Dear Parents,

I would like to invite you to attend a welcome and get to know you session on Monday 12th February at 8am.

I'd like to introduce myself to you all and fill you in on my classroom routines. You'll get to know what you can expect from me and what I will be expecting from your child over the next academic year.

It is really important for you to stay connected via Seesaw and Dojo, I will be posting all announcements and important information on there. If you haven't done already then please try to find the time to set them up. If you are unsure or are having any issues please feel free to pop in and I can 'try' to assist you. (I'm not an expert!). Dojo is also my main way of contacting you directly via email, it is much easier and quicker for me to communicate this way than to try and find the time in the school day to call you.
