

SCHOOL DRESS CODE

(Updated July 2017)

POLICY

The School Board of Secret Harbour Primary School has established a dress code for all students attending the school. Knowing this, it is concluded that in enrolling your child at this school you too accept this policy.

PURPOSE OF A DRESS CODE POLICY:

The School Board believes a school dress code

- Gives the students a sense of unity, belonging and pride in their school, which assists in building school and team spirit.
- Ensures that students are safely dressed for school activities and the environment.
- Minimises competition between students to wear more expensive or fashionable clothing and the pressure on parents to purchase this type of clothing and encourages equity among students.
- Clearly identifies Secret Harbour Primary School students from other students who may come into the school.
- Fosters and enhances the public image of the school.

MODIFICATION TO THE DRESS CODE:

Parents of students who for religious, cultural or health reasons may need to modify the school dress code are required to make an appointment with the Principal. Staff members will be informed of any student granted a modification to the dress code.

Sanctions for non-compliance:

Students not following the dress code will receive:

1. Counselling by the Principal or Principal's nominee on the benefits of a dress code.
2. Assistance/support to obtain suitable clothing if necessary; and
3. If these measures fail then the Parents/Guardians will be contacted.

AVAILABILITY OF DRESS CODE ITEMS:

- Items in the school colours and bearing the school logo may be purchased from the Uniform Shop run by the P&C.
- Second-hand clothes may also become available at the Uniform Shop.
- Items within the designated school colours may be purchased from any clothing or department store.
- Parents/guardians having financial difficulties regarding the purchase of a uniform should contact the Principal to discuss the situation.
