

Geography Field Trip

Dear Parent/Caregivers

As a part of our Humanities and Social Sciences programme we would like to take the class to Point Peron Nature Reserve to study the environment and how the environment influences human activity. This activity will form part of a research task we are undertaking in class.

The Field trip will be on Thursday 31st May, 2018 leaving school at 9am and returning to school by 1pm. Your child will be required to bring their recess and a drink bottle with them and wear school uniform appropriate for the weather at the time.

We will need a few parent helpers, so if you would be available please let us know asap. We will probably be able to fit a couple of parents on the bus or alternatively you could meet us there.

The cost of the bus is \$10 per student. Please send your money before the day or indicate below if you have paid at the office or online.

If your child's medical information has changed please notify the office to have it updated.

Thank you for your support
