

Dear Parents/Caregivers,

As part of the SIM (Instrumental Music) Program you need to fill out a Loan Agreement for the instrumental hire.

If you have already paid your \$130, can you fill in the details except for the instruments details as the Instrumental teacher will do that part and return the form to the office.

If you haven't paid, can you return the completed form when you pay at the office. You can set up a payment plan if that if preferable.

Once you have paid and returned the form the Instrumental teacher can then give an instrument to your child. They will not be handed an instrument until a payment plan or payment has occurred.

Any queries please contact me via email. Katherine.anson@education.wa.edu.au or talk to our registrar Sam letch in the front office.

Thanks in advance

Katherine Anson
