

## PARKING AND KISS AND DRIVE AT SECRET HARBOUR PRIMARY SCHOOL

We are very fortunate at Secret Harbour to have an area at the front of the school “**Kiss & Drive**” which parents can use to drop off children in the morning and pick up after classes to ensure that a greater number of children are able to arrive and leave in safety. As a parent it means you don’t have to find a parking space or stand out in the heat or rain.

### ***Here’s how it works,***

1. The children leave their classroom as soon after the siren as possible and move to the grassed area at the front of the school.
2. Parents don’t arrive at school before 3.05pm.
3. Parents drive around the school in an anti-clockwise direction, entering Maratea Parade from Warnbro Sound Drive.
4. Parents pull in to one of the **Kiss & Drive** parking bays at the front of the school and if your child or children are there ready AND see you they get into the car. If your child is not there ready, you need to proceed around the block and rejoin the que. Standing in a bay, holds up all traffic AND leaves you open to receive a parking ticket.
5. Parents then move off in the same direction around Maratea parade to Secret Harbour Boulevard.

### **Do’s**

- Be patient.
- Go in an anti-clockwise direction.
- Communicate with your children about using the service.
- Trust the system that is for your child/ren’s safety.
- Arrive at school at about 3.05 pm or later.

### **Don’ts**

- Park or stop in to the parking bays prior to 3:05pm.
- Do a “U” turn in front of the school once you have your children.
- Use the staff car park.
- Speed!

Thank you for using this fantastic system and for keeping it moving.
