

Dear Parents,

One of the easiest ways we like to communicate with Room 26 and 27 families is via email. This is particularly useful when notes or money is being collected, or special events are coming up. Homework is also emailed home.

If you would like to be added to our email list, please fill out the details below and send it in. Or you can email me directly at [toni.watt@education.wa.edu.au](mailto:toni.watt@education.wa.edu.au)

Many thanks

Mrs Watt
