

Chicken Hatching program

Dear Parents/Guardian

Next week on Monday the 25th of February, there will be a Chick Hatching Program arriving in our classroom! We have discussed the appropriate behaviours the students will need to have in order to participate in the 'Chick activities,' which may include holding the chicks. There will be a reward for students who are making good choices on Fridays for extra time with the chicks. Your child will have specific times during the week where they will be given the opportunity to observe or touch the chicks. I have attached our 'Class Chick Roster' below. If you do not wish your child to participate in holding a chick, please let me know. We are all very excited to meet the chicks 😊

Chick Roster
