

Dear Parents,

Over the past year many of our students have been using ABC Reading Eggs at home. The Benefits of Reading Eggs and Reading Eggspress include:

1. Progress in phonics and reading at your child's own pace
2. Access to the program at school and home
3. Access to an online library of more than 1700 e-books
4. Lessons use animation, activities and reward games to keep children motivated
5. Quizzes attached to each chapter to ensure your child is comprehending the book

We are able to offer parents of SHPS students an annual subscription to both Reading Eggs and Eggspress for **\$22.70**. Parents who subscribe privately would pay \$79.95 for an annual licence, so this is a great saving! The Reading Eggs component focuses on phonics, sight words and early reading skills. Reading Eggspress is strongly recommended for students reading over Level 22, as the focus is comprehension skills. More information as well as a free two week trial can be found at <http://readingeggs.com.au/>

If you would like your child to have access to this program, please fill in the form below and **return it in an envelope to the school office by Friday March 23<sup>rd</sup> along with payment of \$22.70**. Please indicate on the form if you are paying by cash, EFTPOS, Direct Debit or would like the money deducted from your school account. Please note that I will not be able to accept any late orders. If you have any questions please email [yvonne.trunkfield@education.wa.edu.au](mailto:yvonne.trunkfield@education.wa.edu.au)

Many thanks,
