

Every student, every classroom, every day

Strategic directions for public schools 2020–2024

The Western Australian public school system is a major contributor to the State's prosperity and growth as a fair society promoting the wellbeing and participation of all its citizens.

Our aspiration is for every student to:

Unlock and fulfil their learning potential

Be equipped with contemporary and emerging work capabilities

Develop the personal and social attributes that form the basis for future wellbeing

Achieve year on year growth in their learning throughout their schooling

Be well prepared to take the step beyond school into further education, training or work

Our improvement drivers:

1 Provide every student with a pathway to a successful future.

2 Strengthen support for teaching and learning excellence in every classroom.

3 Build the capability of our principals, our teachers and our allied professionals.

4 Support increased school autonomy within a connected and unified public school system.

5 Partner with families, communities and agencies to support the educational engagement of every student.

6 Use evidence to drive decision-making at all levels of the system.

Our success will:

1. Enable Aboriginal students to succeed as Aboriginal people
2. Ensure students are on track in the early years for continued success in school
3. Enhance student health and wellbeing
4. Progress student literacy and numeracy
5. Improve student attendance
6. Increase student participation in STEM
7. Increase retention and achievement of students to Year 12
8. Ensure students gain the skills, qualifications and knowledge needed to experience success
