

Dear Parent/Guardian

Secret Harbour Primary School regularly uses images of students in a variety of ways to recognise excellent achievement, inform parents and the local community of school matters, publicise events and to promote the school. From time to time we may also be asked to contribute to Education Department materials such as education videos and publications.

It is an Education Department Policy that we obtain permission for use of your child's photograph.

You are of course at liberty to withdraw your consent at any time by contacting the school in writing.

Please complete the permission slip below and return.

Thankyou.
